

# Training Price List Q3 2021

As part of your fissara package we offer a number of training options as standard. We can also provide additional training packages tailored to suit your business needs.

## What is included in my Package?

Depending on your monthly spend we provide a number of training services as part of your package:

### **Starter** (Monthly Subscription below £400)

- Full access to the fissara Knowledge Base (Self Service Training).
- Up to two hours of structured training (Subject to a 12-month contract).
- If you are paying for development work or systems integration, we offer up to four additional hours of training during the development phase.

### **Premium** (Monthly Subscription between £400-£1000)

- Full access to the fissara Knowledge Base (Self Service Training).
- Up to four hours of structured training (Subject to a 12-month contract).
- If you are paying for development work or systems integration, we offer up to four additional hours of training during the development phase.

### **Elite** (Monthly Subscription above £1000)

- Full access to the fissara Knowledge Base (Self Service Training).
- Up to eight hours of structured training (Subject to a 12-month contract).
- If you are paying for development work or systems integration, we offer up to six additional hours of training during the development phase.
